“Mziuri gardens” seaside residential complex is the first direct British investment in Adjara, made by the British company MRMU International.

It is the high qualification of the investor company that determines the construction and further operation of the project to a high standard.

Due to the unique natural conditions, thermal waters and microclimate, the territory of the former balneological resort was selected for the project by the investor and the founders.

Seaside, multifunctional residential complex, is located on 15,000 sq.m. With recreation, child-friendly areas, private parking, well-equipped beach area, sports field, outdoor and indoor pool, spa and food facilities. Also in "Mziuri Gardens" will be located 5 ***** hotel, international brand "Crown Plaza", which will offer high standard services to the residents of the complex. The project is especially attractive for the customers due to the fact that the apartments in "Mziuri gardens" are furnished with completed renovations, furniture and appliances.

“Mziuri gardens” in Batumi is a new unique project in the resort Makhinjauri, the construction of which is underway just a few meters from the sea, on the territory of the former sanatorium. The area of the multifunctional complex will be cultivated on 15,000 sq.m., most of which will be dedicated directly to the recreation area and landscaping.

According to the project, two 15-story and one 17-story residential blocks will be built with a hotel "CROWNE PLAZA" located in one of them.

Residents of “Mziuri Gardens” will have access to the hotel "CROWNE PLAZA", with a variety of infrastructure and services, which provide all the conditions for active recreation and relaxation, both adults and children.

Consideration of the peculiarities and preservation of the local landscape was the main focus when preparing the project of Mziuri Gardens. It should be noted, that the residential complex of Mziuri Gardens will be fully accessible.

Spa and Fitness Center

The spa and fitness center on the territory of the complex promises an ideal environment for health or relaxation, which includes a Jacuzzi, massage room, sauna and gym. Also, indoor and outdoor pools will be arranged on the territory of the complex.

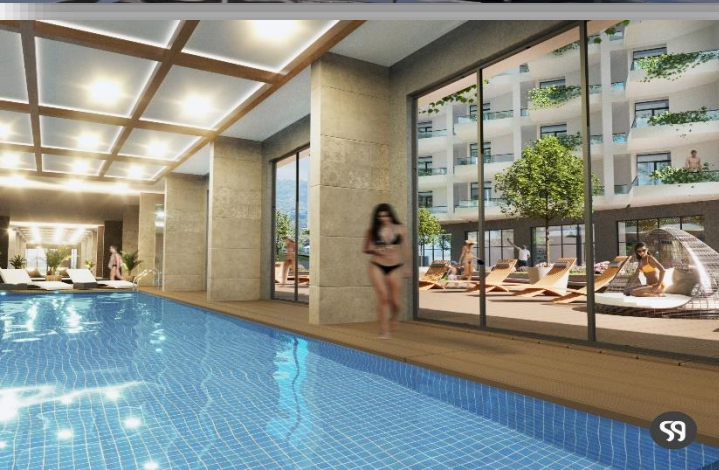

Furnished yard

The huge yard of "Mziuri Gardens" will be equipped with hammocks, poufs, pillows and soft furniture, which will be an ideal place for unwinding and socializing with the neighbors. Also, a basketball court, a summer amphitheater will be arranged in the yard, a fence wall will be installed, and a giant chessboard will be erected.

Furnished beach

"Mziuri Gardens" complex is only a few steps away from the sea. Residents of "Mziuri Gardens" will be able to go directly to the beach through a specially arranged bridge and elevator, where they will meet the beach equipped with sunbeds, sea umbrellas, cafe-bars. For lovers of water activities will be available scooters, bananas, water bikes.

Restaurants and cafe-bars

For gourmets, our residential complex will be a real paradise. There will be 4 different types of restaurants on the territory of the complex, where you will be able to taste Georgian, Chinese, Japanese, European and American cuisine. Also, our lounges and bars will be pampered with a wide selection of alcoholic and non-alcoholic beverages.
